Coughs, Colds, Influences, Arthens, Homebilis, spitting of Blood, and all other Lung Complaints tending to CONSUMPTION. THE GREAT COUGH REMEDT!

READER! have you a Congh, which you are neglecting, under the idea that it is only a common cold, that it will soon "wear itself out?" Let a friend tell you, in all kindness, what will soon be the probable result. In a short time, it you continue to neglect yourself, you will begin to feel a sense of tightness and oppression across the chest, accommand. will begin to feed a sense of tightness and oppression across the chest, accompanied with frequent sharp dacting pains. Then a dry, backing Cough will set in, and when you raise anything it will be a thick and yellowish, or white trothy matter, streaked, perhaps, with blood. If you still take no medicine, these unpleasant symptoms will increase, and you will soon have flectic Fever, Col-I Chills, Night Swentz, Copp.

great Destroyer has gathered to the temb, every single case began with a Cold! If this had been attended to, all might have been well but, being neglected, under the fall debution that it would "wear itself," it transferred its deadly action to the substance of the Longs, exciting there the farmation of tubercles. Another, and mother cold added ford to the flame, until these tubercles began to soften and supports tearing, by their ulceration, great cavities in the Longs. At this erisis, the disease is very difficult of cure, and of entitions, sets at definance all ituman means.

In the latter or worst stage, this medicine will oftentimes arrest the disease, or check its progress, and will always make the patient more comfortsole, and prolong his life, and is therefore worthy of a trial,—but in its incipient or forming periods, Consumption is as curable as anyother disease, and "Dr. Rogers Syrup of Liverworth, Tar, and Canchalagua," if taken at this time, will cure it "A S SURELT AS IT IS TAKEN! "This is strong language, but we can refer you to numberless living witnesses to prove that it is TRUE and therefore, we carneally others every man, woman and child, who has a Cough, or is subject to Colds, to keep medicine by you in the house, and whenever you take Cold, do not "let it alone" to work mischief in your ay stem, but endicate it thoroughly, at ooce, by this power, fully healing compound and leave your Langs uninjured, to carry rou in full vigor to a good old age!

Let every Mother, especially, bend well these remarks, that she may not be easily blight of some cherished biossons, have occasion hitterly to repreach herself for her criminal neglect. It is an old adage, that "to be forwarned, is to be forwarned."
